Chennai, India

PROFESSIONAL SUMMARY

Software Developer with hands-on experience in developing web applications, custom plugins, and full-stack solutions. Skilled in PHP, JavaScript, React.js, Node.js, HTML5, CSS3, MySQL, REST APIs, and WordPress development. Experienced in building scalable applications, solving real-world problems, and collaborating on live projects during a six-month internship at Smackcoders Company.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, PHP

Web Technologies: HTML5, CSS3, React.js, Node.js

Database: MySQL, Firebase

Tools & Platforms: VS Code, Android Studio, Git, GitHub

WORK EXPERIENCE

WordPress Developer Intern — Smackcoders — Tamil Nadu, India Dec 2025 – June 2026

Developed multiple WordPress/WooCommerce plugins covering media management, email customization, AI-powered import automation, activity auditing, and backup/restore systems, building React-based admin dashboards with Material UI, and WordPress REST APIs and AJAX for real-time data handling.

Web Development Intern — Bevywise — Tamil Nadu, India June 2025

Designed and developed responsive web applications using HTML5, CSS3, JavaScript, writing clean, scalable code. Collaborated with cross-functional teams to build and ship frontend components for client projects.

PROJECTS

AI Importer Plugin – Smackcoders Internship | PHP, JavaScript, React, AJAX, REST API, MySQL

Developed a WordPress plugin to import Posts, Pages, and WooCommerce Products from CSV and XML files. Added features like AI field mapping, duplicate checking, and real-time import progress.

Fitness Application — Personalized Workout Generator | Android (Kotlin), Firebase, XML

Built an Android app that generates personalized workout splits based on user age, fitness goals, and health conditions, with Firebase Authentication, Realtime Database, and a Material Design UI.

Intern Management System (IMS) | PHP, MySQL, Bootstrap 5, JavaScript, AJAX

Built a full-stack web app to manage the internship lifecycle — task assignment, progress tracking, and evaluation — with role-based dashboards (Admin/Team Lead/Intern) and auto-calculated performance scores.

EDUCATION

Master of Computer Applications (MCA) 2024 – 2026

Manonmanium Sundaranar University | Grade: A

Bachelor of Science in Computer Science 2021 – 2024

St. John's College | Grade: A

CERTIFICATIONS

- TCS iON Career Edge – Young Professional (May 2025)
- Artificial Intelligence – Skill Camp (NoviTech, April 2025)
- Data Analytics – 30-Day Masterclass (NoviTech, Dec 2024–Feb 2025)
